Assessments

Analyzing data — Expert

February 2022

Interpreting and producing graphs, identifying trends, and drawing justifiable conclusions from data
Full results: [Expert](#)

Indeed Assessments provides skills tests that are not indicative of a license or certification, or continued development in any professional field.

Groups

President of Data Science Club

September 2021 to Present

- Reestablished the club at Rutgers and worked to advertise the club
- Run weekly meetings, helping peers enter the field of data science and talk about articles related to the field

Association of Undergraduate Geneticists

September 2019 to Present

- From September 2019 to May 2020 I was the Freshman Student Representative and I helped plan events for the club's meetings and contacted Genetics Faculty to attend meetings to help club members
- From May 2020 to May 2021, I was the Secretary and Public Relations Manager, and I organized and ran the club email, contacted club members about meetings, and took attendance at each meeting and the minutes of each meeting. I also ran the social media accounts and groups for the club and interacted with people who messaged about inquiries
- From May 2021 to now, I have been the Treasurer, and have managed the club's finances and conducted all of the purchases necessary for our club meetings.
