I am currently a junior at the University of Georgia(UGA) studying to earn a bachelor's degree in computer science. It is my second year at UGA as I am a transfer from Georgia State University. My current overall GPA is 3.82, based on my institutional GPA(3.95) and my transfer GPA(3.69). I have made the Dean's List in my one year at Georgia State(2019-20) and I was named a Presidential Scholar in my first semester at UGA as a sophomore. I am looking for an internship in the summer to use the skills that I have learned in Java or C++.

Willing to relocate to: Atlanta, GA - New Jersey - California

Work Experience

Stocker, Part Time During the Summers and Winter Breaks Between

Walmart - Alpharetta, GA
