Work Experience

Treasurer

Theta Chapter of Chi Phi - Troy, NY

January 2021 to Present

This position involves dealing with all the expenses, taxes, insurance and budgets of the brotherhood. As treasurer I manage our \$200,000 budget and use my position to allocate capital in the most efficient manner.

Business Analyst Intern

Prime Vision

June 2021 to September 2021

This position involved developing a data analytics solution for a shipping company, which previously had no analytics. The solution I developed was a PowerBI dashboard that integrated and summarized all relevant data from their data warehouse.

Soccer Referee

Mid Maryland Officials Association

2014 to 2019

A high pressure job that involves blowing a whistle and getting screamed at by a crowd of angry fans. Doing this as a teenager until now has led me to become someone very comfortable making decisions under intense pressure and during high stakes circumstances.
