Brooklyn, NY 11220

ss13905q5qvx_yzu@indeedemail.com

+1 347 932 4886

I professionally love to work in data analysis, visualization and strategic planning in the consultancy field, but I have keen interest in making that data look cool, nice and present results that give the user an eye candy experience. Basically saying that, I love to work both with data and web tools and technologies.

Willing to relocate: Anywhere

Sponsorship required to work in the US
