## Work Experience

### Technology Lead / Webmaster
Mastech Construction Inc. - Pittsburgh, PA
August 2019 to Present

○ Developed and designed professional websites for Mastech Construction Inc. using various HTML, CSS, and Javascript methods.
○ Revised and rebuilt internal server architecture and hardware for employee usage.
○ Responsible for multiple on-site and in-job computers with custom data redundancy sets using a multitude of RAID formats.
○ Solved company file distribution problems using virtual machine technology (Docker, Hyper-V).
○ Provided technology assistance to multiple employees on a set basis.

### IT Assistant
Montour School District - Pittsburgh, PA
June 2017 to October 2020

○ Worked with a team of IT Technicians responsible for distributing and furthering server infrastructure district-wide for K-12.
○ Chromebook management and repair for thousands of students on-hand.
○ Gave excellent communication and obtained useful problem solving skill sets while working with student guardians when technical issues arose.
○ Provided on-site and responsive technical assistance for employees and faculty in the district.

### Lifeguard
Robinson Township Pool - Pittsburgh, PA
May 2017 to August 2019

○ Entrusted with the health and safety of multiple swimmers.
○ Assisted with general maintenance and upkeep of the pool and pool area.
○ Underwent extensive lifeguard safety training for certification purposes.
