Work Experience

MSUFCU Fall 2021 Intern
MSU Federal Credit Union - East Lansing, MI
September 2021 to December 2021

Worked with typescript, android, various types of machine learning, and more. My team and I added a charity recommendations page into the already existing app "Spave" which uses machine learning to provide different ways of recommending charities to a user.

BASF Summer 2021 Intern
BASF Corporation - Southfield, MI
April 2021 to August 2021

Worked on several projects including gathering and formatting data, engine testing, as well as helped to update and create various macros which are meant to save time and are estimated to save the company over $100,000 a year.

Football - Canton, MI
2014 to 2014

Worked hard as a team to be the best we could be as well as show up on time for hours of meetings and practice over the summers and fall. Taught me the importance of how hard work and dedication are key factors to success.

Education

High School Diploma
Salem High School - Canton, MI
