Phone number: +7 981 803 50 23

Email: aleks.d.kan@gmail.com

Address: Russia, Saint-Petersburg

SKILLS

Fast learner

Team worker

Responsibility

Communication

Positive can-do attitude

ABOUT ME

More than 7 years of analyzing different kind of data, worked in different companies (retail, e-commerce, construction, etc.). Analyzed data from every department (sales, marketing, logistics, etc.). After successful career from data analyst to CFO, decided to dive into what I always loved, data and programming.

Passion for what I am doing, storyteller about what is behind numbers and never give up.

WORK EXPERIENCE

Self-learner (2021 > Present)

Coursera, Udemy and different sources of information for self-study. (DS IBM certification)

What I am familiar with :

Python (Pandas, Numpy, Scikit-learn, Seaborn, Matplotlib, Tensorflow), Spark(PySpark), HTML, CSS, Flask

Data analyst (2011 > 2021)

Different companies (retail, construction, rent of commercial property, etc.)

Data analysis, dashboarding etc.

Excel, Tableau, SQL, Word etc.

EDUCATION

Saint Petersburg State University of Economics (2017-2019)
